ポケットモンスター

キミにきめた！

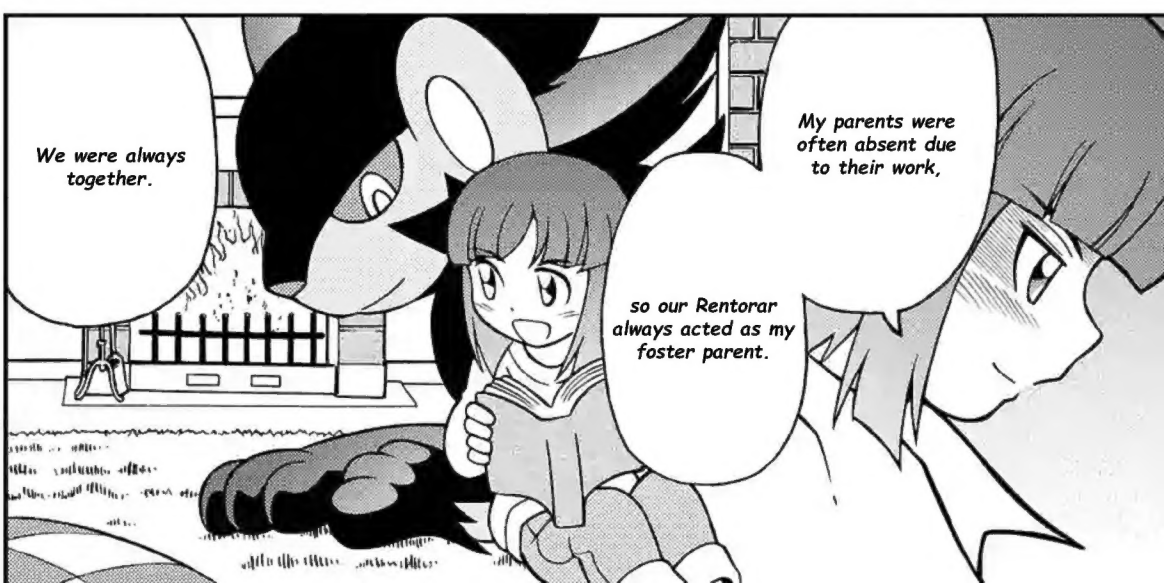
第9話（だいわ）

...I had forgotten that Pokémon even existed.....
In my dream...

Huh...?

Do make note of the fact that we sometimes lose Pokémon in real life as well.
A world where Pokémon don't exist, huh.....?

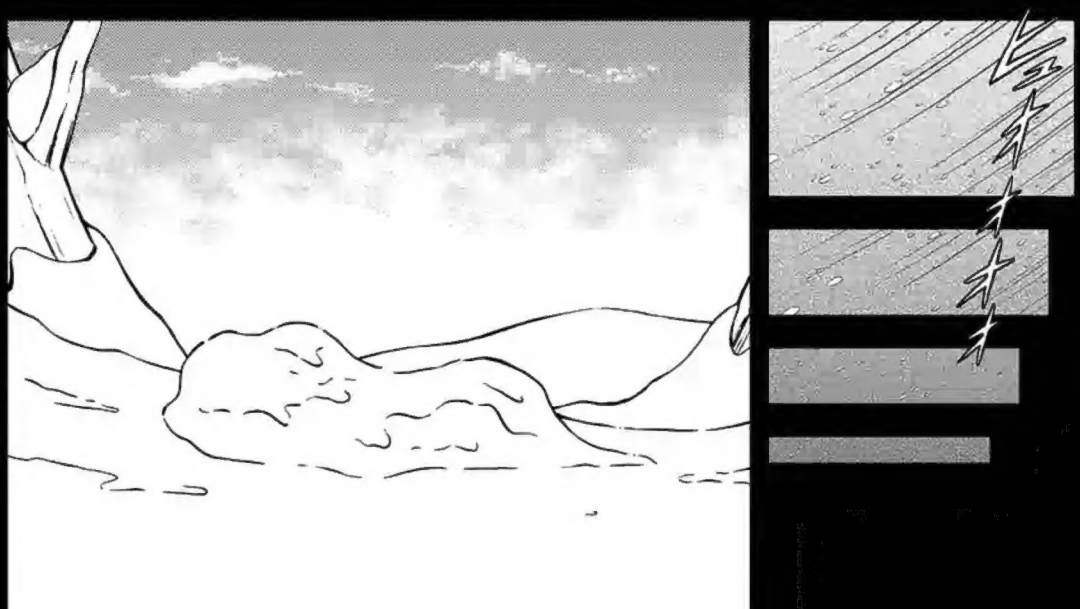
That sounds terrible, even though it was just a dream.



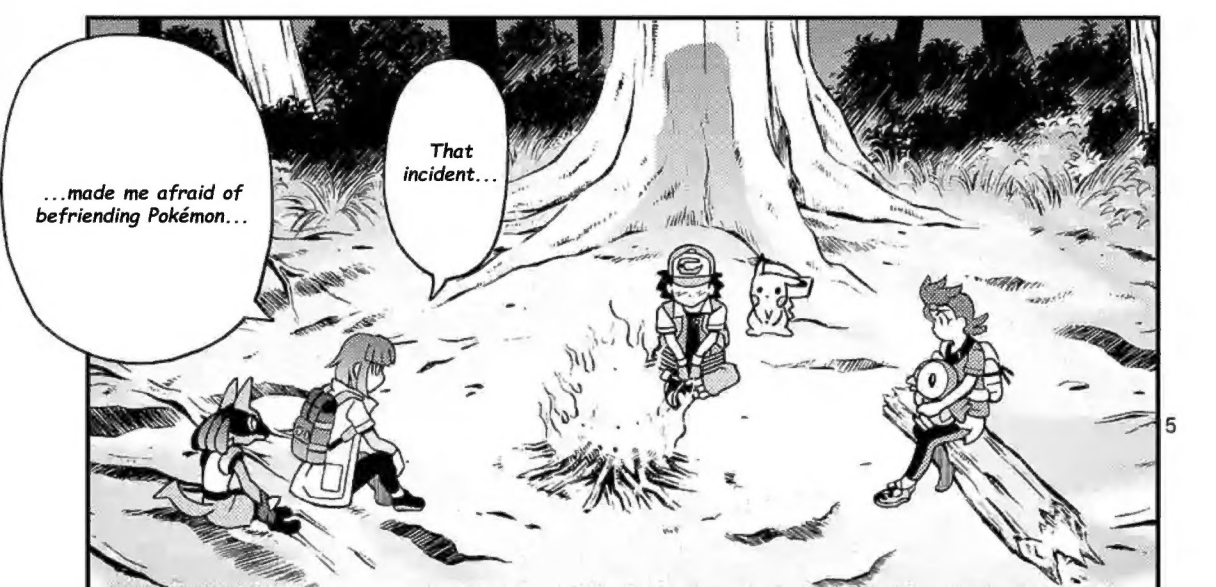
We were always together.
My parents were often absent due to their work,
so our Rentorar always acted as my foster parent.

I had gone out on my own.....
But on that one day,
Reen ...!
Reen ...!!

Rentorar.....



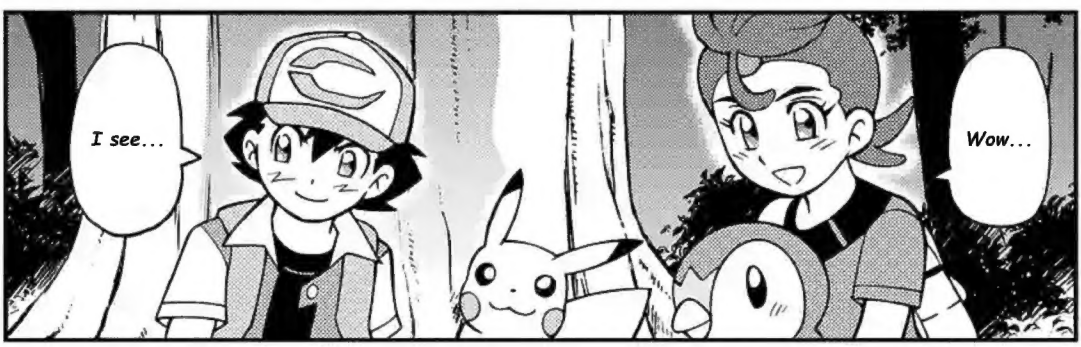
Re...
Rento...
ra...
.....!
Rentorar never woke up again.



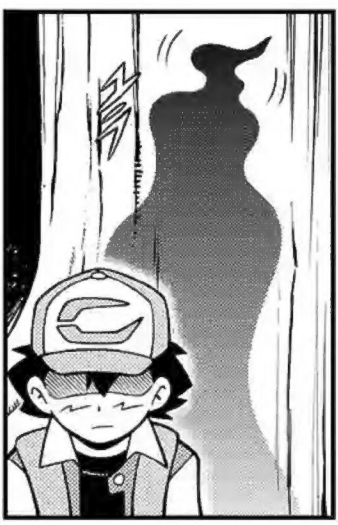
That incident...
...made me afraid of befriending Pokémon...

Luca...

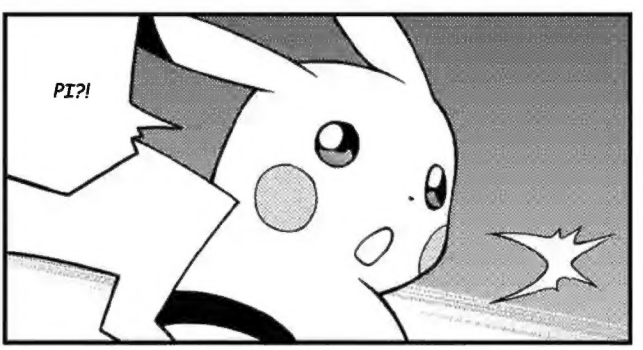
What got me out of that slump...
...was meeting Lucario...



I see...
Wow...



Still... I can't help but wonder what made me have that dream...



PI?!

It's just as I thought, you'd never manage without me.

We all worked together to get through this.
Okay, that's enough.

All right, we're pretty close to the Raizen Range now.
